### A Message to All Residents of Edgemont Highlands

Traffic safety remains an issue in Edgemont. We are trying to make our roads safer and we need your help. The Boards of the Edgemont Ranch Property Owners Association (EPOA) and the Edgemont Ranch Metropolitan District (ERMD) are asking for the cooperation of all residents in being safe drivers.

Posting of the 25 MPH speed limit signs have contributed to the safety of our roads. However, such safety measures are ineffective unless residents want them to work. Unfortunately, many drivers continue to run stop signs and drive too fast.

Whether you are an owner or a renter, this is your home. Please accept and embrace our plea to drive safely.

Thank you for your cooperation.
