

# Edgemont Ranch Metropolitan District Rate Schedule

## EFFECTIVE – January 1, 2018

Newly approved lots within the District will be billed Water and Sewer Infrastructure Maintenance and Snowplowing fees (see Annual Fee table below) on a pro-rated basis from the date that the plat is filed with La Plata County. In subsequent years, these Annual fees are billed in advance in January and payable in 30 days to each unimproved lot and monthly in arrears to improved lots. At the time a meter is installed, the lot owner will be credited the pro-rated amount of Infrastructure Maintenance fees for the remainder of the year and the Metro District will begin billing monthly for utilities as per table below.

<b>Annual Metro District Fees on Unimproved Lots</b>	
Water Infrastructure Maintenance Fee (12 x \$34.00/month)	\$ 408.00

**Late Penalties, Collection Fees and Water Shut-Off**

All District bills are due and payable on the last day of the month. If any billing is not paid by the due date, a delinquency charge of 1% per month will be assessed. If any billing remains unpaid 60 days after the due date, water service is subject to be shut off and the District may issue a shut-off notice. The Responsible Party shall have an opportunity for a hearing before the District Board or staff member. A written request for a hearing must be received by the District no later than 5 days after the shut-off notice has been sent. If the District does not receive full payment within 10 business days of receipt of the shut-off notice, and the customer has not requested a hearing, water service may be shut off without further warning. If the water is shut off, service will not be resumed until the full amount due, including delinquency charges, and a \$25.00 shut-off charge are paid in full. In addition, a water turn-on fee of \$25.00 is payable if reconnection to the utility occurs during normal business hours, or \$50.00 if reconnection occurs after normal business hours or during weekends. Any account delinquent for more than 90 days may be subject to a lien on the respective property. Any account delinquent for more than 180 days may be subject to foreclosure.

**Resident Request for Water Shut-off**

Upon receipt of written request, meter will be turned off within 24 hours. Upon discontinuance of services, the customer will continue to be billed the established monthly Water and Sewer Infrastructure Maintenance, Base Water and Base Sewer fees and Snowplowing fees. Service will be re-established upon written request, provided account is current.
